

You *must* have an Altar

The fire shall ever be
burning upon the altar;
it shall never go out.

We must pray. But with *no* altar, we have no door in prayer, no opening to God and no hearing in Heaven. It's worse than talking to a brick wall! Our prayers just will not be heard.

So what *is* an altar? What is so special about this meeting place with God? The word means a proper place for sacrifice. But it must be right. Remember Cain and Abel, the first two brothers? Cain came with his best efforts, Abel came God's way, with a Lamb in place of his sin. Abel was accepted, Cain rejected. Cain was so furious, he murdered his brother.

The Lord Jesus is the *only* true Altar, His victory over death the *only* way back to God He accepts. Come by the Lamb of God, don't be like Cain!

You're welcome!
